WE WANT YOU
— at LAKEVIEW —

WE PARTNER WITH CHURCHES

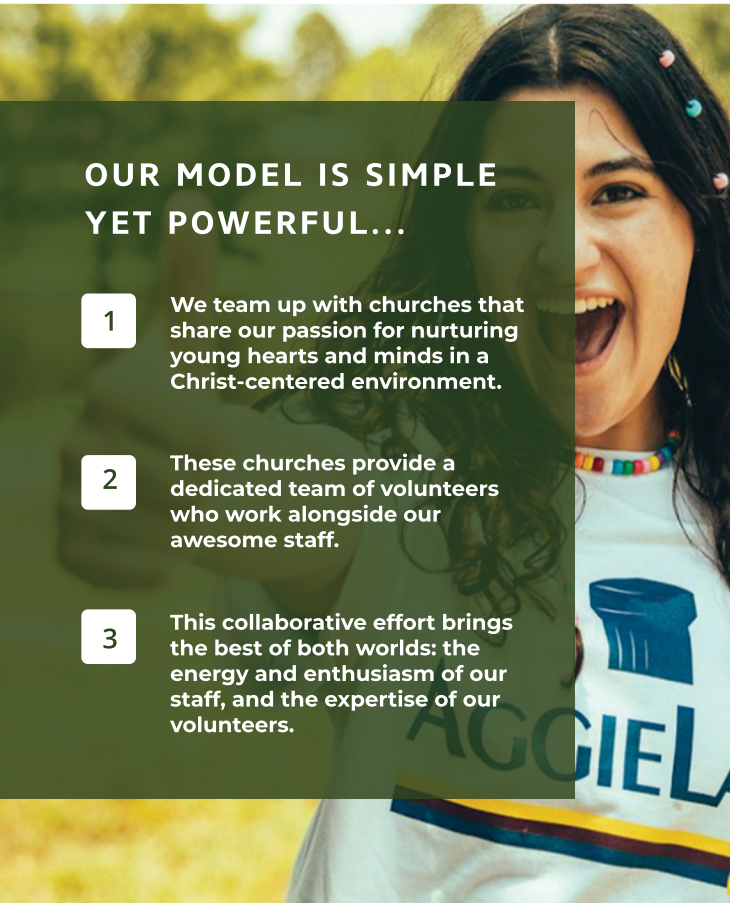

At Lakeview, we believe that strength lies in unity, and our camp model reflects this core value. We're not just a camp – we're a family woven together by faith and a shared vision. Through our unique partnership with churches, we've built a community where campers thrive, grow, and forge lifelong connections.

WE ARE CHRIST-CENTERED

Lakeview is a nonprofit camp. We aim to be a place where anyone can come and experience the power and intentionality of the Holy Spirit. By focusing on extending the love of God to those around us, we aim to provide an environment that cultivates a dedication of our lives to making disciples.

OUR SUMMER STAFF IS SECOND TO NONE

We take pride in hiring a staff that exemplifies what it means to follow Jesus. Through interactions and conversations, our staff strive to share their joy and commitment to God with our campers.

OUR MODEL IS SIMPLE YET POWERFUL...

- 1 We team up with churches that share our passion for nurturing young hearts and minds in a Christ-centered environment.
- 2 These churches provide a dedicated team of volunteers who work alongside our awesome staff.
- 3 This collaborative effort brings the best of both worlds: the energy and enthusiasm of our staff, and the expertise of our volunteers.

OUR SOURCE MATERIAL IS THE BIBLE

With countless hours of discussion, study, and prayer, our curriculum is sourced directly from God's Word. Through the act of worship, teachings, small groups, and workshops, campers and staff are able to explore God's desire for connecting with them by immersing themselves in God's creation and community.
